

## ROTARY GUARANTEE

All Rotary Watches are manufactured to exacting standards and as such, come with a 2 year guarantee from time of purchase.

Please read the following Terms and Conditions to ensure your watch is covered by the guarantee.

1. The battery of the watch is fitted in the country of origin and therefore, may have a shorter remaining life span than that of the guarantee. The battery is not covered under the 2 year guarantee.
2. Any damage caused to the watch, by the customer, is not covered, irrespective of how it is caused. The guarantee does not cover leather straps, glass or any other item subject to wear and tear.
3. If your Rotary Watch has a screw down crown and has suffered water damage due to an unsecure crown, it will not be covered.
4. In the event of a quality failure, Rotary Watches will, at their sole discretion, choose to either repair or replace the faulty components/watch.
5. This guarantee shall be deemed void, should the watch have any work carried out to it by an unauthorised person.

Rotary Watches recommend that you return your watch for a service every 24 months to ensure that the longevity of your watch can be maintained.

Should your Rotary watch require servicing then please send it to our Service and Repair Centre by accessing the Online portal at [rotarywatches.com](http://rotarywatches.com) and following the instructions.

Please be advised that any repair claims under guarantee require proof of purchase, in the form of a dated Rotary Guarantee card or till receipt from an authorised Rotary stockist.
